

# Norfolk Care Association

**Role: Chief Executive**

**Base: Colegate, Norwich**

**Salary: £45,000 per annum**

## **Context**

Norfolk Care Association Ltd is a new organisation representing all social care organisations providing direct care to individuals and support to their families and operating in the Norfolk and Waveney area.

An extensive consultation undertaken with the social care sector and completed in April 2019 confirmed the most important role for a Care Association was to give a voice to providers when working with health and social care commissioners.

We are currently looking to recruit a Chief Executive to work with the Care Association Directors to realise this aspiration and ensure that Norfolk Care Association effectively represents and engages with all social care providers.

## **About You**

We are seeking a skilled leader who can evidence success as a senior manager within the social care sector and who can build relationships and credibility with providers, stakeholders and service users.

Application packs can be downloaded at

<https://www.norfolkcareassociationconsultation.com/vacancies>

CVs together with completed applications should be emailed to Dr Fiona Denny at [fiona.denny@norfolkcareassociation.org](mailto:fiona.denny@norfolkcareassociation.org)

If you wish to have an informal chat prior to submitting your application, Fiona can be contacted on 07776184097

Closing date: Friday 31<sup>st</sup> January 2020

Interviews will take place in Dereham on Thursday 13th February 2020 and will consist of a presentation to a stakeholder panel and a formal interview.
